

## Rules of conduct regarding Corona virus Kitchen, Common rooms, Wet rooms

30 September 2020

### In general: keep distance - Parties only with concept for precautionary measures

- > Parties are allowed again since 6 June. Every Party must be applied for at WOKO with a concept for precautionary measures.
- > The following still applies: Keep your distance, wash your hands regularly, mask recommended.
- > The use of the SwissCovidApp is recommended.

### Shared kitchen/dining rooms

- > New (from 30.09.20): masks are compulsory in larger shared kitchens (10 or more persons Households).
- > Please comply with the markings in public dining rooms for designated individual dining areas in buildings with large shared kitchens.
- > Clean the kitchen, used dining and kitchen utensils thoroughly after each use.
- > No sharing of food. Do not leave any personal belongings behind.
- > In the event of suspected infection or confirmed illnesses: Do not enter the common kitchen and dining rooms.

### Common rooms

- > Common rooms are learning areas - be considerate, keep distance.
- > Please air the room regularly and thoroughly.

### Wet rooms/sanitary facilities

- > After use, please also clean particularly thoroughly yourself.
- Do not leave toothbrushes and other personal items in the wet rooms.

### Self-isolation in case of infection / Quarantine after entry from risk areas

- > Tenants arriving from risk areas or with suspected infection, as well as those who are ill, must go into self-isolation and may only leave their room wearing a mask in exceptional cases.
- > Take note of information and tips on [self-isolation/quarantine from the Federal Office of Public Health FOPH](http://www.bag.admin.ch) ([www.bag.admin.ch](http://www.bag.admin.ch))

### Healthy people support sick people

- > Please have understanding for tenants who are in self-isolation.
  - > Support sick people in self-isolation (in compliance with distance and hygiene measures).
  - > Putting food or tea in front of the room, going shopping and moral support can be great help!

### General operational changes at WOKO for the protection of staff and yourself

- > During cleaning or repair work, the rooms are closed to tenants. Thorough cleaning is carried out.
- > Non-urgent repairs may not be carried out immediately.
- > The desks in Zurich and Winterthur are open in accordance with the conditions of the FOPH. The distance rules must be followed, masks are compulsory in the interior.

Important information is published continuously on [woko.ch](http://woko.ch) and other channels.

**We thank you for your understanding and your help! Stay healthy!**
